AMENDED AND RESTATED
DECLARATION OF CONDITIONS, COVENANTS AND RESTRICTIONS

OF
ARBOR PLACE-ROBINSON ESTATES SUBDIVISION

THIS AMENDED AND RESTATED DECLARATION OF CONDITIONS, COVENANTS AND RESTRICTIONS (this "Restated Declaration") is made this 27th day of January, 2020, by D.R. Horton, Inc., a Delaware corporation ("Declarant", as further defined below).

WITNESSETH:

WHEREAS, on October 15, 2019, Declarant recorded in Plat Book 13, Page 3 of the Office of the Clerk of the Circuit Court of Santa Rosa County, Florida, a subdivision plat for Robinson Estates Subdivision ("Robinson Plat of Subdivision") pertaining to certain real property owned by Declarant in Santa Rosa County, Florida, as more specifically described on Exhibit "A" hereto.

WHEREAS, on November 5, 2019, Declarant recorded in Plat Book 13, Page 4 of the Office of the Clerk of the Circuit Court of Santa Rosa County, Florida, a subdivision plat for Arbor Place Subdivision ("Arbor Plat of Subdivision") pertaining to certain real property owned by Declarant in Santa Rosa County, Florida, as more specifically described on Exhibit "A" hereto.

WHEREAS, Declarant expected that a declaration of conditions, covenants and restrictions affecting the Robinson Estates Subdivision only would be recorded shortly after October 15, 2019 and an amendment would be recorded several weeks later to add the Arbor Place Subdivision to the scope of the declaration of conditions, covenants, and restrictions.

WHEREAS, this approach did not occur and instead on November 5, 2019, Declarant recorded a Declaration of Conditions, Covenants and Restrictions in Book 3887, Page 1326 of the official records of Walton County, Florida (“the Original Declaration”).

WHEREAS, the Original Declaration states incorrect recording information and includes an unsigned First Amendment with incomplete recording information and, consequently, provides conflicting information about the overall development plan.

WHEREAS, these errors must be corrected and, since the plats for both Robinson Estates Subdivision and Arbor Place Subdivision have been recorded previously, both subdivisions may be included in a single Restated Declaration instead of adding the Arbor Place subdivision with an amendment.

WHEREAS, the real property shown on the Robinson Plat of Subdivision described above and the Arbor Plat of Subdivision described above is intended to be developed as two subdivisions known as the Robinson Estates Subdivision and the Arbor Place Subdivision, all under a single Association and a single set of conditions, covenants, and restrictions, together with certain additional parcels of real property owned by Declarant, as more specifically described in Exhibit “B” hereto (the “Additional Phases”), and such Additional Phases may hereafter be made subject to this Restated Declaration in accordance with the terms hereof.

WHEREAS, the Declarant is executing this Restated Declaration for the purpose of amending, restating, and replacing the Original Declaration that the Declarant previously executed and recorded at Book 3887, Page 1326 of the official records of Walton County, Florida.

NOW, THEREFORE, DECLARANT HEREBY DECLARES, that subject to the provisions hereof, all of the Lots (hereinafter defined) shall be held, sold and conveyed by the Owners and the Common Area (hereinafter defined) shall be held by the Association subject to the restrictions, covenants and conditions contained herein for the purposes of protecting the value and desirability of, and which shall run with, the Community Property (hereinafter defined) and be binding on all parties having any right, title or interest in the Community Property or any part thereof, their heirs, successors and assigns, and shall inure to the benefit of each Owner of any portion thereof.

The Association has the right to restrict the use and govern the operation of the Common Area by promulgating reasonable rules and regulations, including with respect to any Common Area facilities, the right to charge reasonable one-time or monthly fees for the use thereof by the Owners as the Association deems necessary or appropriate. Rules and regulations may be established by the Association to regulate the use of the Common Area. The necessary work or maintenance, repair and replacement of the Common Area and the making of any additions or improvements thereto shall be carried out only as provided in this Restated Declaration, the Articles of Incorporation and the Bylaws.

2.02 Right of Enjoyment. Subject to any rules and regulations promulgated by the Board of Directors, every Member shall have a right and easement of enjoyment of the Common Area, and such easement shall be appurtenant to and pass with the title to each Lot.

2.03 Restrictive Covenant on Common Area. A restrictive covenant is hereby imposed on the Common Area such that no part of the Common Area may be developed for residential or commercial purposes; provided, however, that Declarant and/or the Association shall have the right, but not the obligation, to construct and install amenities on the Common Area that are for the use and enjoyment of the Members, subject to the terms and conditions hereof and any rules and regulations adopted by the Association. This restrictive covenant shall run with each Lot and shall exist for the benefit of the Owners and be binding upon, their successors and assigns.

2.04 Lots Subject to Covenants, Restrictions, Limitations and Term. Each Lot that shall be conveyed, held, devised, leased, or demised at any time hereafter shall be subject to all the terms, conditions, covenants, restrictions, and limitations herein contained, and the obligation to observe and perform the same whether or not it be so expressed in the deed or other instrument of conveyance of the Lot or real property, and such shall run with the Lot or real property and be appurtenant thereto as if fully set out in such deed or instrument of conveyance, subject to the terms and conditions hereof.

2.05 Easements.

- (a) Access Easement. An easement for vehicular and pedestrian access is hereby reserved over and across all private roadways in the Subdivision for the benefit of the Association, all Owners, and all tenants and guests of all Owners (the "Access Easement"). The Association shall have the right to promulgate rules and regulations for the use of the Access Easement. The maintenance and repair of

2.06 Control of Common Area. The Association may, upon approval by the Members, sell, subdivide, lease, mortgage, grant easements over or otherwise encumber the Common Area, or exchange all or any portion of the Common Area for Lots or other real property, or purchase or acquire any additional real property and dedicate the same as Common Area subject to the terms of this Restated Declaration.

2.07 Condemnation. In the event of a taking by eminent domain of any portion of the Common Area on which improvements have been constructed, the Association shall restore or replace such improvements so taken on the remaining Common Area, unless within sixty (60) days after such taking, an alternative plan is approved by at least seventy-five percent (75%) of the voting interests of the Members. The provisions of this Restated Declaration applicable to replacement or restoration of damaged improvements on the Common Area shall also apply to and govern the actions to be taken in the event that the improvements are not restored or replaced after a condemnation.

2.08 Liability. Owners, occupants and their guests shall use and enjoy the Common Area at their own risk and shall assume sole responsibility for their personal belongings used or stored there. The Association, the Declarant and their respective officers, directors, employees, representatives and agents shall not be held liable for personal injury to any person, nor for loss or damage to personal belongings used or stored on any of the Common Area. The Association shall not be liable for injury or damage to any person or property (a) caused by the elements or by an Owner or any other person, (b) resulting from any rain or other surface water which may leak or flow from any street, pipe, plumbing, drain, conduit, appliance, equipment, security

system, or utility line or facility, the responsibility for the maintenance of which is that of the Association, or (c) caused by any street, pipe, plumbing, drain, conduit, appliance, equipment, security system, utility line, facility or from any portion of the Common Area, the responsibility for the maintenance of which is that of the Association, becoming out of repair. Nor shall the Association be liable to any Owner or occupant for loss or damage, by theft or otherwise, of any property of such Owner or occupant.

ARTICLE THREE **ASSOCIATION MEMBERSHIP AND VOTING RIGHTS**

3.01 **The Association.** The operation and administration of the Common Area shall be handled by the Association. The Association shall have exclusive authority and power to maintain a class action and to settle a cause of action on behalf of Owners with reference to the Common Area and with reference to any and all other matters in which all of the Owners have a common interest. The Association shall have all the powers and duties set forth in the Articles of Incorporation and the Bylaws. The Association shall have a reasonable right of entry upon any Lot to make emergency repairs and to do other work reasonably necessary for the proper maintenance and operation of the Common Area and further, shall have the right to grant permits, licenses, and easements over the Common Area for utilities and other purposes reasonably necessary or useful for the proper maintenance or operation of the Common Area. The Board of Directors shall have the authority and duty to levy and enforce the collection of general and specific assessments for common expenses and is further authorized to provide adequate remedies for failure to pay such assessments.

3.02 **Membership.** Each Owner shall be a Member, subject to the terms and conditions of the Articles of Incorporation and the Bylaws.

3.03 **Voting.** Voting by Owners shall be in accordance with the Bylaws.

3.04 **Assignment.** The share of a Member in the funds and assets of the Association cannot be assigned, hypothecated, or transferred in any manner except as an appurtenance of said Owner's Lot.

3.05 **Reserve Fund.** The Association shall establish and maintain an adequate reserve fund for the periodic maintenance, repair, and replacement of improvements to the Common Area (the "Reserve Account"). The Reserve Account shall be maintained out of regular assessments for common expenses. The Reserve Account shall be established, budgeted, and maintained in accordance with Section 720.303 of the Act, as may be amended from time to time. In no way limiting the foregoing, the Reserve Account is intended to fund capital expenditures, deferred maintenance, and items of expense that do not occur on a regular basis.

ARTICLE FOUR
COVENANT FOR MAINTENANCE ASSESSMENTS

4.01 Creation of the Lien and Personal Obligation of Assessments. Declarant, for each Lot, hereby covenants, and each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, (2) special assessments for capital improvements to the Common Area, and (3) the lien for assessments for capital improvements to the Common Area by any governmental entity ("Governmental Assessments"), as such assessments are hereinafter established and shall be collected as hereinafter provided. The annual, special, and Governmental Assessments, together with interest, costs, an administrative late fee not to exceed the greater of twenty-five and no/100 dollars (\$25.00) or five percent (5%) of the amount of each installment that is paid past the due date, and reasonable attorneys' fees, shall be a charge on the Lot and shall be a continuing lien upon the property against which each such assessment is made. Any payment received and accepted by the Association shall be applied first to any interest accrued, then to any administrative late fee, then to any costs and reasonable attorney's fees, and then to the delinquent assessments. Each such assessment, together with interest, costs, the administrative late fee and reasonable attorneys' fees, shall also be the personal obligation of the person who was the Owner of such Lot at the time when the assessment fell due. Each Owner is jointly and severally liable with the previous Owner for all unpaid assessments that came due up to the time of transfer of title; provided, however, that "previous Owner" shall not include an association, mortgagee, lien holder, or other lender that acquires title to a delinquent Lot through foreclosure or by deed in lieu of foreclosure. This liability is without prejudice to any right the present Lot Owner may have to recover any amounts paid by the present Owner from the previous Owner.

4.02 Purpose of Assessments. The assessments levied by the Association shall be used exclusively to provide for the management, care and maintenance of the Common Area and any improvements constructed thereon, including provision for appropriate insurance against casualty and liability. The Association shall have the obligation to maintain the Common Area (including, without limiting the generality of the foregoing, any and all easements, drainage facilities, landscaping, structures, holding and retention ponds, and the like, whether denominated as such or otherwise) and shall pay all ad valorem property taxes assessed upon them. The Association may fund in the Reserve Account such sums as it determines in good faith are necessary and adequate to make periodic repairs and improvements to any part of the Common Area.

4.03 Annual Assessments. To provide the total sum necessary for the insurance purchased by the Association hereunder, the Reserve Account, the maintenance, repair and replacement (as applicable) of any improvements located on the Common Areas, and any and all other expenses of the Association, each Member for each Lot owned shall pay a portion of the total amount necessary for such purposes to the Association. The portion to be paid by each Member for each Lot owned shall be calculated as set forth in the Articles of Incorporation. Once assessed, the Association has a lien on each Lot for any unpaid assessments, interest, late fees, attorneys' fees, and costs incurred by the Association incident to the collection of the assessment or enforcement of the lien. The initial annual assessment period will commence on

the date the Board of Directors fixes the initial annual assessment and continue until December 31 of that calendar year. Thereafter, each annual assessment period will be the calendar year.

4.04 Special Assessments for Capital Improvements Upon Common Area. In addition to the annual assessments authorized above, the Board of Directors may levy, in any annual assessment period, a special assessment applicable to that calendar year. Any such special assessment may only be levied for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area and any entrance wall or signage, including fixtures and personal property related thereto, and to cover unbudgeted expenses, expenses in excess of those budgeted, and other common expenses of the Association. Notwithstanding the foregoing, before Turnover, the Board of Directors may not levy a special assessment unless a majority of Members, other than the Declarant, has approved the special assessment at a duly called special meeting and in accordance with the requirements of the Act.

4.05 Date of Commencement of Assessments and Due Dates. The assessments provided for herein shall only be assessed against Lots upon which a House has been constructed, and will commence as to a particular Lot upon constructed conveyance of the Lot to any Owner who is not the Declarant or a Builder. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. At least thirty (30) days prior to each annual assessment period, and in accordance with the requirements of the Act, the Board of Directors shall prepare and adopt a budget for the estimated common expenses and reserves of the Association during the coming assessment period. Except as otherwise provided in this Section 4.05, each Owner shall pay an equal amount of the annual assessment. The aggregate amount of the assessments shall be set at a level which is reasonably expected to produce income for the Association equal to the total budgeted common expenses, including any reserves. The Board of Directors shall send a copy of the budget and notice the amount of the annual assessments for the following year to each Owner in accordance with the requirements of the Act, as may be amended from time to time. If the Board of Directors fails for any reason to determine the budget for any year, then until such time as the budget is determined, the budget in effect for the immediately preceding year shall continue for the current year. Any revised budget prepared and adopted by the Board of Directors shall become effective in accordance with the requirements of the Act, as may be amended from time to time. The Board of Directors shall determine if annual and special assessments will be collected annually, quarterly or at some other interval and shall set due dates for assessment payments.

4.06 Effect of Nonpayment of Assessments and Remedies of the Association. Any assessment not paid within thirty (30) days after the due date shall bear interest thereon until the date such unpaid assessments are paid at a rate to be set by the Board of Directors but in no event greater than the maximum percentage rate as may then be permitted under the laws of the State of Florida. The Association may bring an action at law or in equity against the Owner personally obligated to pay the same, foreclose a lien against the property or seek injunctive relief. Interest, late fees, costs, and reasonable attorneys' fees of any such action shall be added to the amount of such assessment. Each such Owner, by his acceptance of a deed to or other conveyance of an interest in a Lot, hereby expressly vests in the Association the right and power to bring all actions against such Owner personally for the collection of each charge as a debt and to foreclose

the aforesaid lien by all methods available for the enforcement of such liens, including foreclosures by an action brought in the name of the Association in a like manner as a mortgage lien on real property. The lien provided for in this section shall be in favor of the Association and shall be for the benefit of all Owners. The Association, acting on behalf of the Owners, shall have the power to bid for an interest foreclosed at foreclosure sale and to acquire and hold, lease, mortgage, and convey the same. No Owner may waive or otherwise escape liability for the assessments provided for herein by non-use of the Common Area or abandonment of said Owner's Lot. The Board of Directors may also suspend the use rights of any Owner of the Common Area in the event of a failure to pay any assessment within ninety (90) days of the applicable due date or as otherwise mandated by the Act. Prior to such suspension, any Owners will be given fourteen (14) days' notice of the suspension and an opportunity for hearing, if required, pursuant to Florida law.

4.07 Subordination of the Lien to Mortgages. The priority of the Association's lien and the obligation for payment of past due assessments or other sums due in relation to first mortgagees who obtain title as a result of foreclosure or deed in lieu of foreclosure shall be determined by the Act, and specifically, §720.3085(2) of the Act, as amended from time to time. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof or relieve the prior Owner from any personal liability for any unpaid assessments occurring prior to said sale or transfer.

4.08 Estoppel Letter. The Association shall, upon request from an Owner or on behalf of an Owner, provide estoppel certificates in accordance with the requirements of the Act.

4.09 Declarant Exemption; Assessments during Declarant Control. Notwithstanding anything contained in this Restated Declaration to the contrary, all Lots owned by Declarant shall be exempt from assessments of any type by the Association until the first to occur of (i) Declarant's execution and recording in the real property records of Santa Rosa County, Florida of a written waiver of the exemption from assessments set forth in this Section 4.09 or (ii) Turnover; provided, however, that for so long as Declarant's Lots are exempt from assessments, Declarant shall be responsible for and shall pay any and all operating expenses of the Association that exceed the amount of assessments receivable hereunder from the other Members and other income sources (if any) of the Association.

4.10 Working Capital Contribution. In addition to annual and special assessments levied hereunder, the first Owner acquiring title to a Lot that has been improved with a House who will occupy (or lease to an occupant) the House and all subsequent purchasers thereof shall pay to the Association at the closing of such Lot a contribution to the Association's working capital in an amount equal to one-fourth (1/4) of the annual assessments for Common Expenses then being levied by the Association (a "Working Capital Contribution"). The Working Capital Contribution may be used by the Association for any purpose not expressly prohibited by applicable law.

4.11 Fines. The Association may levy reasonable fines against any Owner for violations of the provisions of this Restated Declaration, the Articles, the Bylaws, or the rules and regulations of the Association. A fine may not exceed \$100.00 per violation of any Owner or

Owner's tenant, guest, or invitee for failure of the Owner of the Lot or its occupant, licensee, or invitee to comply with any provision of the Restated Declaration, the Articles, the Bylaws, or the reasonable rules and regulations of the Association unless otherwise provided herein. A fine may be levied by the Board of Directors for each day of a continuing violation, with a single notice and opportunity for hearing, except that the fine may not exceed \$1,000.00 in the aggregate unless otherwise provided herein. A fine of less than \$1,000.00 may not become a lien against a Lot. In any action to recover a fine, the prevailing party is entitled to reasonable attorneys' fees and costs from the nonprevailing party as determined by the court.

ARTICLE FIVE MAINTENANCE AND REPAIR

5.01 Maintenance. The Association shall provide maintenance of the Common Area. In addition, the Association shall have the right, but not the obligation, to maintain other property not owned by the Association, whether within or without the Subdivision and to enter into easement and covenant to share costs agreements regarding such property where the Board has determined that such action would benefit the Owners. Each Owner shall maintain his or her respective Lot and shall also maintain and repair, at such Owner's sole cost and expense, said Owner's House, patio and yard area keeping the same in good condition and making all structural repairs and maintenance, external and internal, as may be required from time to time, including, but not limited to maintenance and repairs of any enclosed patio area, screens and screen doors, exterior door and window fixtures, glass, and other hardware. Each Owner shall also be responsible for the maintenance and repair of any fence or fences erected on such Owner's Lot and gates appurtenant thereto.

5.02 Failure to Maintain. In the event an Owner shall fail to maintain and repair his Lot and the improvements situated thereon, as provided for herein and provided that the failure to so maintain shall cause damage or injury to the adjoining Lot or to common structural elements which affect an adjoining Lot, the Association, after approval by a majority vote of the Board of Directors, shall have the right, through its agents and employees, to enter upon said Lot and to repair, maintain, and restore the Lot and the House and any other improvements erected thereon. The cost of the same shall be added to and become part of the assessment to which such Lot is subject; provided, however, if a dispute arises concerning the foregoing between the Owner and the Association, the matter may be submitted to arbitration in accordance with the mutual agreement of the parties.

5.03 Damage to Common Area. Notwithstanding anything contained in this Article Five to the contrary, each Owner shall be personally responsible and personally liable for any damage to the Common Area, or any portion thereof, caused by the Owner and/or the Owner's family members, guests, invitees, lessees or licensees as a consequence of the negligence, recklessness or willful misconduct of such person. The cost of repair for any damage so caused by the Owner, the Owner's family members, guests, invitees, lessees or licensees shall be a special assessment against the Owner responsible therefor and the Lot of such Owner.

ARTICLE SIX
ARCHITECTURAL CONTROL

6.01 Submission of Plans and Specifications. No House, building, fence, wall, or other structure or improvement shall be constructed, erected, or maintained upon any Lot, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications of the same shall have been submitted by an Owner to and approved in writing as in conformity and harmony with this Restated Declaration by the Architectural Review Committee. Two (2) copies of the building or construction plans and specifications (collectively, the "Plans") shall be submitted to the Architectural Review Committee. Prior to commencement of any construction activities on a Lot, an Owner's Plans must be approved by the Architectural Review Committee as to conformity and harmony with this Restated Declaration. The Architectural Review Committee may, from time to time, establish additional written design guidelines for the Subdivision, and a copy of any such guidelines then in effect shall be made available to any Member requesting a copy of same from the Association.

6.02 Approval or Disapproval. The Architectural Review Committee shall indicate its approval or disapproval of such plans and specifications by delivering, in writing, notice of such approval or disapproval to the requesting Owner. In the event the Architectural Review Committee fails to approve or disapprove such design and location within sixty (60) days after said plans and specifications have been submitted to it, approval shall be deemed automatically given.

6.03 Right of Inspection. The Architectural Review Committee shall have the right, but not the obligation, to inspect the Owner's Lot and improvements during construction and prior to occupancy to insure construction in accordance with the construction plans submitted and approved by the Architectural Review Committee. Failure of an Owner to comply with the provisions of this Section 6.03, or failure of an Owner to carry out construction in accordance with the provisions of this Article, shall subject such Owner to such remedies as might be available at law or in equity (including, but not limited to, specific performance and injunction, payment of the prosecuting parties' reasonable legal fees and expenses).

6.04 Limited Review. The scope of review by the Architectural Review Committee is limited to appearance only and does not include any responsibility for structural soundness, suitability of construction or materials, compliance with building or zoning codes or standards, this Restated Declaration, or any other similar or dissimilar factors.

6.05 Waiver of Liability. Neither the Architectural Review Committee nor any architect nor agent thereof nor the Association nor any agent or employee of any of the foregoing shall be responsible in any way for the failure of any improvements to comply with the requirements of this Restated Declaration, nor for any defects in any plans and specifications submitted, revised or approved in accordance with the foregoing provisions, nor for any structural or other defects in any work done according to such plans and specifications, and all persons relying thereon or benefiting therefrom agree not to sue or claim against the entities and persons referred to in this Section for any cause arising out of the matters referred to herein and further agree to and do hereby release said entities and persons for any and every such cause.

ARTICLE SEVEN
USE RESTRICTIONS

7.01 Residential Use. Each Lot is hereby restricted to a private, single-family dwelling for residential use.

7.02 Subdivision of Lots. Each Lot shall be conveyed as a separately designated and legally described freehold estate subject to the terms, conditions, and provisions hereof, to easements and rights-of-way, and matters of public record. No Lot may be subdivided into a smaller Lot or Lots unless approved by the Association; provided, however, that an entire Lot may be combined with an entire adjacent Lot and occupied as one Lot but assessed and governed as two Lots.

7.03 Signs. No sign of any kind shall be displayed on any Lot, except (i) that any Owner actively attempting to sell his Lot may place a "for sale" sign of less than four (4) square feet on his Lot; (ii) during the building of homes in the Subdivision, the Declarant and/or the Builders in the Subdivision may place signs at the entrance and/or on any Lot to advertise the Subdivision and the Lots for sale therein; and (iii) any Owner may display a sign of reasonable size provided by a contractor for security services within 10 feet of any entrance to the home.

7.04 Noxious and Offensive Activity. No noxious or offensive activity shall be carried on, in or upon any Lot, nor shall anything be done thereon which may be or become an annoyance or nuisance to any other Owner.

7.05 Design Criteria; Structure. All improvements to be constructed or otherwise located on a Lot by an Owner shall comply with the following requirements:

- (a) Any House shall contain a minimum of One Thousand and Five Hundred (1,500) square feet of heated and cooled living space.
- (b) No House may exceed three (3) habitable stories above grade.
- (c) All sidewalks shall be constructed along the street right-of-way of each Lot in accordance with a uniform plan established by the Declarant. Accordingly, each site Plan submitted to the Architectural Review Committee shall show the location and material to be used for construction of the sidewalk, all as required and approved by the Architectural Review Committee. Each Owner shall construct or cause to be constructed on his or her Lot the approved sidewalk upon completion of the House on his or her Lot and before occupancy thereof.
- (d) The residential structure may contain a garage or carport; provided however, that no garage or carport may have a flat roof and any such garage or carport shall be in conformity with the general architecture of the primary residential building or structure.

- (e) No window air-conditioning units shall be permitted on the front or sides of any residence so as to be visible from the front line of such Lot.
- (f) Underground electrical distribution facilities are required and no overhead electrical or similar wiring or lines shall be permitted.

All Lots shall be grassed in the entire designated yard area by sodding and the yard shall be landscaped upon the completion of construction and before occupancy. It shall be the Owner's responsibility to maintain any landscaping, walls or fences situated on a Lot so that such improvements remain in an attractive, well-kept condition. Notwithstanding the foregoing, nothing in this subsection shall be construed to prohibit any Owner from implementing Florida-friendly landscaping, as defined under Florida law, on his or her Lot or create any requirement or limitation in conflict with part II of chapter 373 of the Florida Statutes.

7.08 Miscellaneous. Except as otherwise provided for herein, no patio cover, building or storage unit of any kind shall be erected, placed or set on any Lot unless such structure is attached to the House erected on the same Lot and the architecture and character of such structure matches that of said House. Notwithstanding the foregoing, one (1) accessory building may be erected, placed or set on any Lot if such structure is: (a) located upon the back yard of such Lot; (b) enclosed on all sides by a wooden fence of at least six (6) feet in height; (c) of the same architecture and character of the House located on such Lot; and, (d) approved by the Architectural Review Committee.

7.10 Vehicles.

- (a) No inoperative cars, trucks, trailers, boats, campers or other types of vehicles shall be allowed to remain either on or adjacent to any Lot for a period in excess of forty-eight (48) hours; provided, however, this provision shall not apply to any such vehicle being kept in an enclosed garage.

7.12 Pollution. There shall be no noxious emission of smoke, dust, odor, fumes, glare, noise, vibration, electrical or magnetic disturbance, detectable at the lot line or beyond.

7.13 Outdoor Lighting. All outside lights shall be of an intensity not to exceed 100 watts and shall be placed so as to avoid an annoyance to any neighbor. Said lighting shall be turned toward the ground and shall be shielded completely or by frosted glass or plastic in all directions so that it does not shine toward neighboring Lots. Flood lights which shine all night are specifically prohibited.

7.14 Garbage and Refuse Disposal. No Lot shall be used or maintained as a dumping ground for rubbish, trash, garbage, or waste. All storage equipment for such material shall be kept in a clean and sanitary condition.

7.15 Oil and Mining Operations. No activity or hardware used for the purpose of exploration or extraction of minerals, oil, or gas shall be allowed on any Community Property at any time.

7.16 Firearms and Fireworks. The term "firearms" includes "B-B" guns, pellet guns and other firearms of all types, regardless of size.

7.17 No Hanging of Items. No clothes, sheets, blankets, towels, laundry of any kind or other articles shall be hung out or exposed on any balconies, patios, or railings.

7.18 Hazardous Items. No one shall use or permit to be brought onto any Lot or upon any of the Common Area any flammable oils or fluids such as gasoline, kerosene, naphtha or benzene, or other explosives or articles deemed hazardous to life, limb or property, without the written consent of the Board of Directors; provided, however, that an Owner may store and possess gasoline and other flammable or hazardous materials typically used in the operation and maintenance of a single family residence and yard, in reasonable quantities for personal use upon Owner's Lot without obtaining such written consent. The Board of Directors may require removal of any flammable or hazardous materials from the Subdivision if it determines, in its sole and absolute discretion, that any type or quantity of material is in violation of this Section.

7.19 Water and Sewer Service. The Owner of each Lot shall be required to connect to and use the central water distribution system and central sanitary sewage disposal system serving the Subdivision, and shall be responsible for paying all connection fees and assessments. No septic tanks or wells will be permitted; provided, however, that this Restated Declaration does not prohibit the use of wells for landscape irrigation.

7.20 Windows and Window Treatments. Reflective glass shall not be permitted on the exterior of any House or other structure. No foil or other reflective materials shall be installed on any windows or used for sunscreens, blinds, shades or for other purposes. All exterior window

styles, materials, and colors must be approved by the Architectural Review Committee; provided, however, that in no event shall burglar bars and/or wrought iron doors be permitted.

7.21 Lots on Wetland Areas, Body of Water. No Lot shall be increased in size by filling in of any wetlands, body of water, creek or any waterway on which it may abut without appropriate governmental permits (if any are required) and prior written approval of the Architectural Review Committee.

7.22 Compliance With Law. In all cases, each Owner shall comply in all respects with all applicable laws, rules and regulations (including, without limitation, applicable zoning ordinances) promulgated by any governmental authority having jurisdiction over the Lots and the Common Area.

7.23 Swimming Pools. No swimming pool or swimming pool screening shall be constructed, altered or maintained upon any Lot without the prior written approval of the Architectural Review Committee in accordance with Article Six hereof. Notwithstanding the foregoing, any such swimming pool must also be constructed, equipped, and maintained in accordance with the laws, ordinances, regulations, rules and standards of any city, county, and/or state authorities having jurisdiction over the Subdivision. Any Owner who desires to construct a swimming pool on such Owner's Lot shall also, prior to completion of such swimming pool, construct a fence around such swimming pool, which fence must also be approved by the Architectural Review Committee in accordance with Article Six hereof. Notwithstanding anything contained herein to the contrary, above-ground pools are expressly prohibited.

7.24. Energy Conservation Equipment. No solar energy collector panels or attendant hardware or energy conservation equipment (collectively, "Energy Conservation Equipment") shall be constructed or installed on any Lot or House without the prior written approval of the Architectural Review Committee in accordance with Article Six hereof. Energy Conservation Equipment shall be installed in such a way as to minimize visibility from any Common Area or road within the Subdivision. Notwithstanding the foregoing, the Association shall have the right to promulgate rules and regulations regarding the use and location of Energy Conservation Equipment; provided, however, that such rules and regulations shall not impair the effective operation of such Energy Conservation Equipment and shall comply with the requirements set forth in the Act.

7.25 Outdoor Equipment. No outdoor equipment, tools, generators, or sporting equipment (including but not limited to basketball goals) may be installed or affixed to any Lot or House without prior written approval from the Architectural Review Committee; provided, however, that portable outdoor equipment, tools, generators, or sporting equipment may be used on a temporary basis for no more than twenty-four (24) hours and promptly removed from view after use. ARTICLE EIGHT
ADDITIONAL RESTRICTIONS

8.01 Leasing. Homes and Lots may be leased by an Owner for residential purposes only. Any Owner who leases his Home or any portion thereof shall be responsible for the acts of his tenants, including, without limitation, the violation of this Restated Declaration and/or any rules and regulations promulgated by the Association hereunder.

8.02 Restrictions on Mortgaging Lots. Nothing contained herein shall be construed to place any restrictions on an Owner's right to mortgage his Lot.

8.03 Regulations. Reasonable regulations concerning the use of the Lots and the Common Area may be made and amended from time to time by the Board of Directors.

8.04 Lender's Notices. Upon written request to the Association, identifying the name and address of the holder, insurer or guarantor and the Lot number or address, any mortgage holder, insurer, or guarantor will be entitled to timely written notice of:

- (a) Any condemnation or casualty loss that affects either a material portion of the Common Area or the Lot securing its mortgage.
- (b) Any sixty (60) day delinquency in the payment of assessments or charges owed by the Owner of any Lot on which it holds the mortgage.

ARTICLE NINE
ENFORCEMENT; DURATION; AMENDMENT

9.01 Enforcement. The Association, the Board of Directors, the Architectural Review Committee and/or any Owner shall have the right to enforce by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens and charges imposed by the provisions of this Restated Declaration. Failure by the Association, the Board of Directors, the Architectural Review Committee and/or any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

9.02 Enforcement by Owners. An Owner may file a legal action for the violation of this Restated Declaration (the "Complainant"), provided that the following procedure is strictly followed:

- (a) The Complainant must first give the Association written notice of the alleged violation of this Restated Declaration together with a demand seeking that the Association enforce the terms of this Restated Declaration as against said violator; and
- (b) The Association must fail to cause a cure of the alleged violation or, if the alleged violation has not been cured, fail to commence legal proceedings against said

violator for the enforcement of the terms and conditions of this Restated Declaration within one hundred twenty (120) days of the date of the Association's receipt of the notice referenced in subsection (a) hereof.

9.03 Attorneys' Fees. In any action (whether in advance of or prior to the initiation of any legal or equitable proceeding, in arbitration, in trial, in any administrative or other similar proceedings, or in any appeal from any of the same) pertaining to any condition, restriction or covenant herein contained (due to their alleged violation or breach) or for the enforcement of any lien against any Lot or against any Person, unless otherwise expressly provided in this Restated Declaration to the contrary for specific instances and conflicts, the prevailing party shall be entitled to recover all costs, including reasonable legal fees and expenses.

9.04 Term. This Restated Declaration is to take effect upon recordation and shall be binding upon the Association and all Owners and all persons and entities claiming title under and through them for fifty (50) years after the date this Restated Declaration is recorded in the public records, after which it shall be automatically extended for successive ten (10) year periods unless an instrument in writing, signed by Members holding at least eighty percent (80%) of the voting interests in the Association, has been recorded within the year preceding the beginning of each successive period of ten (10) years, agreeing to change said covenants and restrictions, in whole or in part, or to terminate the same, in which case this Restated Declaration shall be modified or terminated as specified therein.

9.05 No Additional Burden. No amendment of this Restated Declaration shall place an additional burden or restriction or requirement on any Lot where the Owner of such Lot does not join in said amending instrument.

9.06 Amendments. This Restated Declaration may be amended by vote of the Members having sixty-seven percent (67%) of the voting interests in the Association, or by a written instrument signed by the same percentage of Members. Notwithstanding the foregoing, Declarant shall have and reserves the right at any time and from time to time, without the joinder or consent of any other party to amend this Restated Declaration by any instrument in writing duly signed, acknowledged and filed for record for the purpose of correcting any typographical or grammatical error, ambiguity or inconsistency appearing herein, provided that any such amendment shall be consistent with and in furtherance of the general plan and scheme of development as evidenced by this Restated Declaration and shall not impair or adversely affect the vested property or other rights of any Owner or such Owner's Mortgagee.

ARTICLE TEN RESERVED DECLARANT RIGHTS

10.01 General Reserved Rights. Declarant reserves unto itself, its successors and assigns:

- (a) A right-of-way and easement for ingress and egress and easement for utilities, drainage, maintenance, repairs and other related uses over, along, and across the

Common Area for all purposes relating in any manner to the subdividing, developing or aiding in the development of the Subdivision or any parts or parts thereof or additions thereto by Declarant or others.

- (b) The right to grant easements and rights-of-way of ingress and egress and for drainage, utilities, maintenance and repairs along, over, across and under the Common Area to any person, firm, corporation or entity for use as ingress or egress or for drainage, utilities, maintenance and repairs.
- (c) The right to maintain, and grant Builders the right to maintain, a sales office and/or a management office and/or one or more model homes in the Subdivision and to maintain signs therein advertising the Subdivision and to conduct its business and sales activities pertaining to the Subdivision therein and therefrom.

Except as set forth in Section 10.04, all of the above rights and interests reserved by Declarant may be exercised by Declarant without the consent or concurrence of the Association or any Member.

10.02 Right to Annex Property. Declarant hereby reserves the right, exercisable in its sole and absolute discretion, to (a) make any real property adjacent to the Subdivision, including but not limited to the Additional Phases (the "Additional Property") subject to all or any of the terms and conditions of this Restated Declaration and/or (b) permit owners of Additional Property to become Members of the Association. No assurances can be made as to whether any Additional Property will be annexed. Furthermore, Declarant expressly reserves the right to exercise this right on multiple occasions until such time as all Additional Property has been annexed into the Subdivision and made subject to this Restated Declaration. No assurances can be made with respect to the boundaries of any portions of any Additional Property that might be annexed. The Additional Property may be annexed in accordance with this Section by an amendment to this Restated Declaration, which amendment may be made and entered into by Declarant in its sole and absolute authority and discretion without the consent, approval or signature of the Association or any Member. Notwithstanding anything contained in this Section to the contrary, (i) no Additional Property shall be subject to this Restated Declaration unless and until Declarant executes an amendment to this Restated Declaration affirmatively exercising Declarant's rights hereunder and records such amendment in the office in which this Restated Declaration is recorded, and (ii) in the event Declarant exercises its right to annex any Additional Property in accordance with this Section, Declarant shall also have the sole and exclusive right to alter, or otherwise replace with other terms, the terms of Section 7.05 hereof as those terms pertain to any Lots created out of such Additional Property.

10.03 Amendment of Declaration by Declarant. Until Turnover, Declarant reserves unto itself the right, authority and power to amend this Restated Declaration in any manner Declarant deems necessary and appropriate. Any amendment to this Restated Declaration made in accordance with this Section shall require only the signature of Declarant and shall not require the signature of any other Owner or any Mortgagee of any Owner, except as required by Section 10.04.

10.04 Consent of D.R. Horton to Certain Matters. Declarant may not exercise any rights reserved in this Article 10, or take any action or grant any approval as Declarant under this Restated Declaration (other than any other approval given in the ordinary course as an Owner and not as Declarant) without obtaining the prior written consent of D.R. Horton, Inc.

10.05 Turnover. All rights of Declarant hereunder shall automatically terminate upon Turnover, except those rights that Declarant holds as an Owner and not by virtue of being the declarant under this Restated Declaration, which shall continue as long as Declarant is an Owner.

ARTICLE ELEVEN INSURANCE; CASUALTY

11.01 Insurance on Common Area. The Association shall obtain the insurance coverage necessary to satisfy the requirements of the Federal Home Loan Mortgage Corporation, the Federal National Mortgage Association, the U.S. Department of Veterans Affairs, and the U.S. Department of Housing and Urban Development, as applicable to the Subdivision. Accordingly, the Board shall obtain casualty insurance for all insurable improvements, whether or not located on the Common Area, which the Association is obligated to maintain. This insurance shall provide, at a minimum, fire and extended coverage and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The Board shall obtain a public liability policy applicable to the Common Area covering the Association and its Members for all damage or injury caused by the negligence of the Association or any of its Members or agents, and, if reasonably available, directors' and officers' liability insurance. Policies may contain a reasonable deductible as determined by the Board. In addition to the other insurance required by this section, the Board shall obtain worker's compensation insurance, if and to the extent necessary to satisfy the requirements of applicable laws, and a fidelity bond or bonds on directors, officers, employees and other persons handling or responsible for the Association's funds, if reasonably available. Unless the requirement of fidelity coverage is waived in the manner provided in the Act, the amount of fidelity coverage shall cover the maximum funds that will be in the custody of the Association or its management agent at any time while the policy is in force. Fidelity coverage shall contain a waiver of all defenses based upon the exclusion of persons serving without compensation. All such insurance coverage shall be written in the name of the Association.

11.02 Individual Insurance. By virtue of taking title to a Lot subject to the terms of this Restated Declaration, each Owner acknowledges that the Association has no obligation to provide any insurance for any portion of individual Lots and each Owner covenants and agrees with all other Owners and with the Association that each Owner shall carry all-risk casualty insurance on the Lot and all structures constructed thereon and a liability policy covering damage or injury occurring on a Lot. The casualty insurance shall cover loss or damage by fire and other hazards commonly insured under an all-risk policy, if reasonably available and shall be in an amount sufficient to cover the full replacement cost of any repair or reconstruction in the event of damage or destruction from any such hazard. The policies required hereunder shall be in effect at all times.

11.03 Damage and Destruction – Insured by Association. Not later than ninety (90) days after damage or destruction by fire or other casualty to any portion of any improvement covered by insurance written in the name of the Association, the Board or its duly authorized agent shall proceed with the filing and adjustment of all claims arising under such insurance and obtain reliable and detailed estimates of the cost of repair or reconstruction of the damaged or destroyed property. Repair or reconstruction, as used in this Section, means repairing or restoring the property to substantially the same condition and location that existed prior to the fire or other casualty, allowing for any changes or improvements necessitated by changes in applicable building codes. Any damage or destruction to property covered by insurance written in the name of the Association shall be repaired or reconstructed unless, within 120 days after the casualty, a proposal not to repair or reconstruct such property is approved by at least seventy-five percent (75%) of the voting interests of the Members. If for any reason either the amount of the insurance proceeds to be paid as a result of such damage or destruction, or reliable and detailed estimates of the cost of repair or reconstruction, or both, are not made available to the Association within such period, then the period shall be extended until such information shall be made available; provided, however, such extension shall not exceed one hundred eighty (180) days. If the damage or destruction for which the insurance proceeds are paid is to be repaired or reconstructed and such proceeds are not sufficient to defray the cost thereof, the Board of Directors shall, without the necessity of a vote of the Members, levy a special assessment against the Owner of each Lot. Additional assessments may be made in like manner, as necessary, at any time during or following the completion of any repair or reconstruction. If the funds available from insurance exceed the costs of repair or reconstruction or if the improvements are not repaired or reconstructed, such excess shall be deposited to the benefit of the Association. In the event that it should be determined by the Association in the manner described above that the damage or destruction shall not be repaired or reconstructed and no alternative improvements are authorized, the property shall thereafter be maintained by the Association in a neat and attractive condition.

11.04 Damage and Destruction – Insured by Owners. The damage or destruction by fire or other casualty to all or any portion of any improvement on a Lot shall be repaired by the Owner thereof within ninety (90) days after such damage or destruction or, where repairs cannot be completed within ninety (90) days, they shall be commenced within such period and shall be completed within a reasonable time thereafter. Alternatively, the Owner may elect to demolish all improvements on the Lot and remove all debris therefrom within ninety (90) days after such damage or destruction.

ARTICLE TWELVE MISCELLANEOUS

12.01 Savings. If any provision or provisions of this Declaration, or any article, section, sentence, clause, phrase, or word herein, or the application thereof, is in any circumstances held invalid, the validity of the remainder of this Declaration and the application thereof shall not be affected thereby.

All actions or proceedings in any way, manner or respect, arising out of or from or related to this Restated Declaration shall be litigated only in courts having situs within the county in which the Subdivision is located. Each Owner hereby consents and submits to the jurisdiction of any local, state or federal court located within said county and state and hereby waives any rights it may have to transfer or change the venue of any such litigation. The prevailing party in any litigation in connection with this Restated Declaration shall be entitled to recover from the other party all costs and expenses, including, without limitation, fees of attorneys and paralegals, incurred by such party in connection with any such litigation.

12.04 Effect of Waiver or Consent. A waiver or consent, express or implied, to or of any breach or default by any Person in the performance by that Person of its obligations hereunder is not a consent or waiver to or of any breach or default in the performance by that Person of the same or any other obligations of that Person. Failure on the part of a Person to complain of any act or to declare any Person in default hereunder, irrespective of how long that failure continues, does not constitute a waiver by that Person of its rights with respect to that default.

12.05 Headings. The headings and captions herein are used solely as a matter of convenience and shall not define, limit or expand any term or provision of this Restated Declaration.

12.06 Interpretation. The provisions of this Restated Declaration shall be liberally construed to effectuate its purpose of creating a uniform plan for the development and operation of a subdivision in accordance with Florida law. Failure to enforce any provision hereof shall not constitute a waiver of the right to enforce said provision or any other provision hereof.

12.07 Notice. All notices required or desired under this Restated Declaration to be sent to the Association shall be sent certified mail, return receipt requested, by hand delivery or by a recognized overnight courier who maintains verification of delivery, to the Secretary of the Association, at such address as the Association may designate from time to time by notice in writing to all Owners. All notices to any Owner shall be delivered by hand delivery, by a recognized overnight courier who maintains verification of delivery in person, or sent by first (1st) class mail to the address of such Owner's Lot, or to such other address as he may have designated from time to time, in a writing duly received, to the Association.

12.08 Conflict Between Documents. If there is any conflict or inconsistency between the terms and conditions of this Restated Declaration and the terms and conditions of the Articles of Incorporation, the Bylaws or any rules and regulations promulgated hereunder, the terms and conditions of this Restated Declaration shall control. If there is any conflict or inconsistency between the terms and conditions of the Articles of Incorporation and the terms and conditions of the Bylaws or any rules and regulations promulgated hereunder, the terms and conditions of the

Articles of Incorporation shall control. If there is any conflict or inconsistency between the terms and conditions of the Bylaws and the terms and conditions of any rules and regulations promulgated hereunder, the terms and conditions of the Bylaws shall control.

12.09 Fair Housing Amendments Act of 1988. This Restated Declaration, the Articles, the Bylaws, and any rules and regulations of the Association shall be subordinate to and interpreted and applied in a manner so as to be consistent with 42 U.S.C. §3601, *et seq.*

12.10 Entire Agreement. This Restated Declaration, including all exhibits and appendices hereto, embodies the entire agreement and understanding of the parties hereto in respect of the matters contemplated by this Restated Declaration and supersedes all prior declarations of conditions, covenants, and restrictions; amendments thereto; agreements; contracts; representations; warranties; promises; and understandings, oral or written, express or implied, between or among the parties with respect to the subject matter hereof, including, without limitation, the Original Declaration, which Original Declaration shall be deemed null and void, and of no further force or effect whatsoever following the date hereof.

ARTICLE THIRTEEN **STORMWATER MANAGEMENT**

13.01 Stormwater Management

- (a) The Stormwater Management System shall be owned by the Association and shall be located: (i) on land that is designated Common Area on the Plat of Subdivision; (ii) on land that is owned by the Association; or (iii) on land that is subject to an easement in favor of the Association and its successors.
- (b) No construction activities may be conducted relative to any portion of the Stormwater Management System. Prohibited activities include, but are not limited to, digging or excavation; depositing fill, debris or any other material or item; constructing or altering any water control structure; or any other construction to modify the Stormwater Management System. If the project includes a wetland mitigation area, or a wet detention pond, no vegetation in these areas shall be removed, cut, trimmed or sprayed with herbicide without specific written approval from the Northwest Florida Water Management District (the "Agency").
- (c) The Association shall operate, maintain and manage the Stormwater Management System(s) in a manner consistent with the requirements of Agency Permit No. CON-113-16953-1 and applicable Agency rules, and shall assist in the enforcement of the restrictions and covenants contained herein. Maintenance of the Stormwater Management System(s) shall mean the exercise of practices which allow the systems to provide drainage, water storage, conveyance or other stormwater management capabilities as permitted by the Agency. Any repair or reconstruction of the Stormwater Management System shall be as permitted, or if modified as approved, by the Agency.

- (d) Agency has the right to take enforcement measures, including a civil action for injunction and/or penalties, against the Association to compel it to correct any outstanding problems with the Stormwater Management System.
- (e) Notwithstanding anything contained in this Restated Declaration to the contrary, any amendment to this Restated Declaration that alters the Stormwater Management System, beyond maintenance in its original condition, including mitigation or preservation areas and the water management portions of the Common Area, must have the prior written approval of Agency.
- (f) In the event of termination, dissolution or final liquidation of the Association, the responsibility for the operation and maintenance of the Stormwater Management System must be transferred to and accepted by an entity which complies with Rule 62-330.310 F.A.C., and Applicant's Handbook Volume 1, Section 12.3, and be approved by the Agency prior to such termination, dissolution or liquidation.
- (g) If any property within the Subdivision has on-site wetland mitigation which requires ongoing monitoring and maintenance, the Association shall allocate sufficient funds in its budget for monitoring and maintenance of the wetland mitigation area(s) each year until Agency determines that the area(s) is successful in accordance with any environmental resource permit(s).
- (h) Each Owner, at the time of construction of their building or structure, shall comply with the construction plans for the Stormwater Management System approved and on file with Agency.
- (i) No Owner may construct or maintain any building or structure, or undertake to perform any activity in the wetlands, wetland mitigation areas, buffer areas, upland conservation areas and drainage easements described in the approved permit and Plat of Subdivision, unless prior written approval is received from the Agency.
- (j) The Owners of Lots abutting wet detention ponds shall not remove native vegetation, including cattails, that becomes established within the wet detention ponds abutting their Lot. Removal shall include, but not be limited to, dredging, the application of herbicide, cutting and the introduction of grass carp. Owners shall address any questions regarding authorization activities within the wet detention ponds to Agency.
- (k) A "Recorded Notice of Environmental Resource Permit," in form and content reasonably approved by the Florida Department of Environmental Protection, or other applicable governmental agency, shall be recorded in the public records of Santa Rosa County, Florida. The Association shall maintain copies of all permitting actions undertaken for the benefit of the Association.

13.02 Right to Transfer. The Association shall have the right to dedicate or transfer all or any part of the Common Area, to any public agency, authority or utility for such purposes of stormwater management and subject to such conditions as may be agreed to by the Members. No such dedications or transfers shall be effective unless an instrument signed by the Members entitled to cast sixty-seven percent (67%) of the votes of the Association has been recorded, agreeing to

such dedication or transfer, and unless written notice of the proposed action is sent to every Member not less than (30) days and no more than sixty (60) in advance of such dedication or transfer. Notwithstanding the foregoing, Declarant specifically reserves and retains the right at any time and from time to time, without the joinder or consent of any other party, to transfer and convey to any other appropriate entity which complies with Rule 62-330.310, F.A.C., and Applicant's Handbook Volume I, Section 12.3, as approved by Agency, the Stormwater Management System or any portion thereof.
